11 of Toronto's leading poverty activists were arrested yesterday for asking for OW and ODSP to be brought up to livable levels.

We are asking for a raise of 55% to bring it back up to the level it was at before Mike Harris made massive cuts. The present levels after inflation under the Dalton McGuinty government are much worse than even under Harris! Now heartless Dalton is cancelling the special diet program for those who have special medical needs.

Please help support the legal defense of John Clarke, Rachel Huot, Marque Brill, Anne Abbott who has cerebral palsy and the other 7 champions of the poor by making a donation to help defend them against these unwarranted arrests. Call the OCAP office with your pledge at 416-925-6939.
